SOUTH CENTRAL GOSPEL PARTNERSHIP

TRUSTEES' ANNUAL REPORT (INCORPORATING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 JULY 2020

The trustees, who are the charity's directors for the purposes of company law, have pleasure in submitting the Report and Accounts for the year.

Objects of the charity

Our Vision Statement:

The South Central Gospel Partnership is a group of evangelical churches in the south central region of England working together to promote the gospel of Christ. This includes strengthening and planting churches and training leaders.

Our purpose as set out in the objects contained within the company's memorandum of association is, "To advance the Christian faith for the benefit of the public, and in accordance with our doctrinal basis, predominately but not exclusively within the loosely defined area of the South Central region of England. This includes:

- Strengthening and planting churches,
- Training and supporting existing and potential leaders,
- All other things that might promote the gospel of Christ."

Our current primary means of achieving this purpose is through running bible training courses and conferences that enable people to better understand, apply and teach the Bible. These courses and conferences are open to all who wish to attend and are promoted widely across churches in the South Central region.

Provision of our conferences and training relies heavily upon the sacrificial contribution of volunteers to teach and lead, for which we remain hugely grateful. It also depends upon the enthusiastic participation of all those attending.

The trustees have reviewed all their activities for the past year and those planned. They consider, in regard to the guidance issued by the Charity Commission, that they continue to offer public benefit, both through their wide availability and the impact on society of those attending our training through their growth in Christian maturity and being able to pass on biblical truth.

During the past year the charity has not made any grants, but such may be considered by the trustees in the future provided they are in furtherance of our objectives.

Summary of the charity's main activities and achievements

To further the above objects and vision, the charity's main activities and achievements were as follows:

The Ministry Training Course helps around 120 students from around 35 different churches to become better equipped to understand and teach the Bible in different contexts. We have students from all walks of life, from teenagers to those in retirement. Due to the restrictions arising from COVID we moved entirely online for our summer term – although a steep learning curve for us, continuing the course in this form was greatly appreciated and successful. The online format has shown that we can draw students from a wider area than ever before, resulting in very high numbers enquiring for the coming year. Students on the course have been equipped for their ministry in churches, schools, Christian charities, prisons and the mission field.

The goal is never to replicate what churches are doing, nor pull people away from church events and commitments, but rather to provide events that no one church might be able to support, but for which there may be a need across a number of churches.

We are indebted to and hugely grateful for the many who have given of their time to speak and lead small groups over the past year, without whom we could not operate.

SOUTH CENTRAL GOSPEL PARTNERSHIP

TRUSTEES' ANNUAL REPORT (INCORPORATING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 JULY 2020

Structure, Governance and Management

The organisation is a charitable company limited by guarantee, incorporated in England on 31st July 2012 and registered as a charity on 6th November 2012. The company was established under a Memorandum of Association and is governed by its Articles of Association, which together established the objects, powers and governance of the charitable company. These articles have not been amended since incorporation. In the event of the company being wound up members are required to contribute an amount not exceeding £10 each.

In addition to the founding nine subscribers, membership of the charitable company is open to other individuals and organisations who apply, signify their assent to the doctrinal basis (as established with the governing documents), and are approved by the directors. There is only one class of membership.

The founding subscriber members appointed four individuals to be directors and trustees, and those four remain in position. Director Trustees are appointed by the members, must themselves be members, and must assent to the doctrinal basis.

On a day to day basis the charitable company operates through its Training Director, who is not a trustee or member. He oversees the training programmes and development of the charity according to the guidance of the trustees and the annual meeting of the members.

The charity is supported in prayer and action by a network of evangelical churches, ministers and individuals, many of whom are members, who hold to our doctrinal basis and wish to work together to promote the gospel of Christ.

Financial review

After two years of small deficits, the Charity achieved a good operating surplus during the year (2020: £12,869, 2019: -£1,859) This was a result of increased numbers attending our training plus generous financial support from churches and individuals, for which we are very grateful. Costs rose to £55,798 (2018 £49,558) reflecting the first complete year when the Director of Training was engaged full time, which has resulted in greater exposure and interest in the Partnership, and higher student numbers.

Reserves policy

The Board of Directors have established a policy whereby free reserves (which the directors define as being unrestricted net current assets) held by the charity should be somewhere between £12,000 and £25,000 (i.e. between three to six months of expenditure) so that the charity could continue to operate if income falls short of expectations. At the year end the charity's free reserves were £21,103, which we consider adequate in view of the continuing enthusiastic support for the charity, even after considering the financial pressures many are facing as a result of the COVID pandemic.

Key risks and uncertainties

The charity is exposed to various risks - be they operational, financial or reputational. The trustees review the charity's activities regularly to identify significant risks and, where possible, they take appropriate measures to mitigate those risks.

SOUTH CENTRAL GOSPEL PARTNERSHIP

TRUSTEES' ANNUAL REPORT (INCORPORATING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 JULY 2020

Plans for the future

Our main service will continue to be the weekly Ministry Training Course, where we hope to further broaden the recruiting base of churches that encourage attendance.

We have been particularly proactive in using the benefits of video conferencing to make training available to a wider group of people than ever before, something we plan to continue to do, even when Covid restrictions are lifted and we are able to meet in person again.

This broadening of our base will be aided by the training director visiting churches across our region once this is possible again. His greater time working for the charity will also permit more one-off training events across the region, often in local sub-groupings of churches, as needs are identified. Each year we make contact with more churches, and we hope that these relationships bear fruit in better networks between churches that can lead to partnership in outreach to areas that are less well served by churches – for example by encouraging church planting. The coming year will also have a focus on increasing the level of financial support for the charity, from individuals, churches and by seeking grants.

Responsibilities of trustees under company law

The trustees are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing these financial statements, the trustees are required to:

1. select suitable accounting policies and apply them consistently;
2. observe the methods and principles in the Charities SORP;
3. make judgements and estimates that are reasonable and prudent;
4. state whether the applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
5. prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approval

This report, which has been prepared in accordance with the provisions of the Companies Act 2006 relating to small companies, was approved by the trustees and signed on their behalf by:

James Muldoon

Date: 12th March 2021

INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF
SOUTH CENTRAL GOSPEL PARTNERSHIP
('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 July 2020 on pages 6 to 10 following, which have been prepared on the basis of the accounting policies set out on page 8.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The charitable company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 July 2020.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 July 2020 in accordance with Section 476 of the Companies Act 2006 however, in accordance with Section 145 of the Charities Act 2011, the accounts have been examined by an independent examiner and their report has been included in these financial statements.

The directors (who are the charitable company's trustees for the purposes of charity law) acknowledge their responsibilities

- (a) ensuring that the charitable company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its net income or expenditure for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

The financial statements have been prepared in accordance with the provisions of Part 15 of the Companies Act 2006 relating to small companies.

The financial statements were approved by the Board of Directors on 12th March 2021 and were signed on its behalf by:

James Muldoon

Company number: 8163369

Charity number: 1149625

The notes on page 8-10 form part of these accounts.

SOUTH CENTRAL GOSPEL PARTNERSHIP
NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31 JULY 2020

1 Statutory Information

The charity is a charitable company limited by guarantee and is incorporated in the United Kingdom. The company's registered number and registered office address can be found on the Company Information page.

2 Accounting Policies

These financial statements are prepared on a going concern basis, under the historical cost convention.

These financial statements have been prepared in accordance with the "Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ("the Charities SORP"), with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland ("FRS 102"), with the Companies Act 2006 and with the Charities Act 2011. The charity meets the definition of a public benefit entity as set out in FRS 102.

The principles adopted in the preparation of the financial statements are set out below.

a) Going concern

The trustees (who are the charitable company's directors for the purposes of company law) have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered the charity's forecasts and projections and the possible implications should projected income and / or expenditure vary unexpectedly. The trustees have concluded that there is a reasonable expectation that the charity has adequate resources to continue to operate for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

b) Income

Income including any investment income is recognised in the period in which the charity becomes entitled to receipt, the amount receivable can be measured with reasonable certainty, and receipt is probable. For the most part, income is generally recognised when it is received. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future period.

c) Expenditure

Expenditure, including irrecoverable VAT, is recognised when it is incurred or, if earlier, when a legal or constructive obligation for a payment arises provided that it is probable that settlement will be required and the amount of the obligation can be measured reliably.

The cost of raising funds is not significant and has not been separately disclosed.

Governance costs, which are included in expenditure on charitable activities but are identified separately in the notes to the accounts, includes costs associated with the independent examination of the financial statements, compliance with constitutional and statutory requirements and any other expenditure incurred on the strategic management of the charity.

d) Fund accounting

Unrestricted funds are funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. We currently have no designated funds (comprising unrestricted funds that have been set aside by the trustees for particular purposes) nor any restricted funds (being donations that must be used in accordance with specific restrictions imposed by donors; this includes donations received from appeals for specific activities or projects).

e) Tangible fixed assets

Items purchased or donated for the charity's own use are capitalised when the cost of purchased items, or the fair value of donated items, is more than £1,000 and the item is expected to benefit the charity over more than one accounting period. Depreciation is charged on a straight line basis so as to write down the value of each asset to its estimated residual value (if any) over its expected useful economic life. To date no expenditure has been incurred that needs to be capitalised.

f) Taxation

The company is a registered charity; it has taken advantage of the various reliefs from taxation available to charities and no tax is payable on the charity's income.

g) Exemption from preparing a cashflow statement

The charity has taken advantage of an exemption conferred by the Charities SORP and has not prepared a cash flow statement.

h) Critical accounting estimates and areas of judgement

The trustees do not consider that there are any material sources of estimation or uncertainty at the balance sheet date that could result in a material adjustment to the carrying values of assets and liabilities in the next reporting period.

Each member of the company commits to contribute if the charity is wound up an amount of £10.

11 Events after the Balance Sheet date

The charity has continued to take took steps (in line with government advice) to help contain the outbreak of COVID-19. In particular, our new year of training from September 2020 is being delivered entirely online for the full year. Very pleasingly, students numbers are the best for many years, as the online format gives greater flexibility for those otherwise unable to join the training on a Tuesday.
